I do not see any security threats or reasons the permit should not be allowed on either date. I have spoken with Chief McCutchen and the city does not have any permits issued that will take extra resources from us.

Please see the attached application for July 5 (or July 8, if the 5<sup>th</sup> isn't available). She is wanting to be on the east side of square with signs saying "we'll pray with you", etc. She says she's going to ask the City if people can drive through in front of Neilsons and then pray with them in their vehicle. I told her she could ask the City but I think they won't want them blocking traffic.
